

Objectives

*Looking for a challenging role in a reputable organization to utilize my technical, database, and management skills for the growth of the organization as well as to enhance my knowledge about new and emerging trends in the IT sector.

* If you use your talents to the best of your abilities you are much more likely to succeed in your life.

You'll also find yourself with fewer problems if you are aware of your weaknesses. So how can you know what your weaknesses and strengths are?
